

FINISHING OPTIONS

INSTRUCTIONS FOR USE

1 Prepare the hair by washing with a clarifying shampoo (For thicker coarser hair repeat this step).

2 BLOW DRY

3 Start applying Keratin Plus about 1/2 an inch from the scalp, apply generously over the hair strands using the spray dispenser. Comb through to spread the product evenly throughout.

4 PROCESSES FOR

5 Blow dry 100% with a paddle or round brush.

6 FLAT IRON EACH SMALL SECTION

FOR GREY HAIR	320°F 160°C
VERY BLEACHED HAIR	355°F 180°C
CHEMICALLY TREATED HAIR	410°F 210°C
NATURAL HAIR	445°F 230°C

7 Rinse and apply **Silk Touch System Mask** and leave on for 5 minutes for processing. (* Before and after flat ironing, apply **Silk Touch Serum** to mid length and ends).

TIPS & TRICKS

* After finishing processing the Mask in the last step of the Keratin treatment, you can rinse out and blow dry for the final finished look. (Finish the service with 1-2 passes of the flat iron 355°F / 180°C on large sections of hair.)
